## INTRODUCTION

This document contains the necessary information required to submit the RHB bookings – a basic description of each service, pricing, as well as included and excluded items. This Rate Card may be adapted if there is a significant change in market price and/on fluctuation in exchange rate or due to the coronavirus (COVID-19) safety precautions measures implemented by the governing bodies.

The coronavirus situation will be closely monitored by all parties involved and RHBs will be duly informed on any possible changes/amendments/updates.

If not otherwise indicated, services are provided as permanent facilities, for the entire duration of the event.

Satellite services will be offered via Eurovision Services.

Booking terms and conditions are explained in Section 15 of this document.

For further details please refer to the Broadcaster Information Manual.

The online booking system will open in June 2020 and you will be able to access it through the official website [www.pokljuka2021.com](http://www.pokljuka2021.com).
